Presenting Photographer
Ruth Tait

**“Your Photographer’s Eye
on the Trail”**

Join Ruth on the Trans Canada Trail for a workshop of tips and tricks to improve your photography skills.

Learn more about framing the photo, design elements, different perspectives, composition and the art of seeing. Take your images to the next level by increasing your artistic creativity!

Thursday June 15, 2017

3:00 pm – 5:00 pm
(Rain Date on June 22)

**Meet at the Log Cabin at Fleming College, Lindsay.
Short walk to the trail.**

Presenting Photographer
Fred Thornhill

“Panoramic Views on the Trail”

Fred will show you the fundamentals of light, aperture and shutter speed and their relationship to each other.

Despite the features of today’s modern camera, good photography is to recognize how light affects the outcome of your photos. The goal is to help you better understand and achieve the simple basics needed to make creative strong images.

Wednesday August 23, 2017

8:30 am – 11:30 pm
(Rain Date on August 30)

Meet at Log Cabin at Fleming College, before carpooling out to the Doube’s Trestle Bridge near Omeme. 5–7 Minute walk to the bridge site.

Presenting Photographer
Mark Ridout

“Better Portraits on the Trail”

Mark will share over three decades of experience using both available and artificial light.

The goal of Mark’s workshop is to provide participants with a space for social engagement, to help build new skills and to empower seniors to use photography in new creative ways which they find meaningful in their lives.
