Kaleidoscope Garden

Reaboro's Kaleidoscope Garden—designed and planted for the Kawartha Trans Canada Trail by a team of volunteers last spring—is a pollinator's paradise. This beautiful garden is part of the Kawartha Lakes Pollinator Pathway, a city initiative that supports healthy pollinator populations by creating and preserving pollinator habitat. The municipality was officially recognized as a "Bee City" by Bee City Canada, and the project was nominated for the City of Kawartha Lakes Environmental Hero Award 2021.

The KTCTA was pleased to run two free bee hotel workshops for seniors that took place at the garden last June.

"I turned to the teeming small creatures...the little things that compose the foundation of our ecosystems, the little things, as I like to say, who run the world."

E.O. Wilson

Chair's Message

John Hagarty
Chair, Kawartha
Trans Canada Trail
Association

Hello everyone!

As we continue to improve the Kawartha Trans Canada Trail, we are proud of the work we do to provide our community with an important feature for outdoor recreational activity.

We were pleased to participate in the renewal of the City of Kawartha Lake's Trails Master Plan. As a result of the involvement of all stakeholders, we will have a solid plan moving forward. The following link provides the City's vision, goals, objectives and progress updates: <https://jumpinkawarthalakes.ca/trailsmasterplan>.

Here's what we hope to achieve this summer and fall:

- Hire a summer student,
- Develop a Trail Pass App (grant funding has been approved),
- Pave Omemee Trail in village (grant application has been submitted),
- Plant more wildflowers along trail with seniors (grant application has been submitted),
- Improve gates/barriers so they are more accessible for those with disabilities, and
- Install a light at the Logie & Lindsay Street intersection to make the crossing safe for trail users.

The maintenance of our wonderful trail depends on grants and donations—so please consider supporting us (<https://ktct.ca/donate>) and don't forget to get outside, enjoy this trail, and have a safe and healthy summer.

John Hagarty

Reasons to Love Your Trail

Plus, when you stay on the trail, you can worry less about poison ivy, thorns and ticks!

When you walk/run/cycle the KTCT, you get to:

- ✓ Hear more (birds and insects),
- ✓ See more (wildlife),
- ✓ Exercise more, and
- ✓ Visit new places!

Thank You to "100 Men"

By John Hagarty

100 Men of Kawartha Lakes gather for one hour every three months. At each meeting, they jointly select a local charity and write a \$100 cheque (per person) to the selected organization. There are no committees, no bank accounts, no fees.

Three charities, including the Kawartha Trans Canada Trail Association, were invited to present at the meeting on March 2, 2022. And gratefully, we were the chosen charity!

Since there were 50 of 96 members in attendance, KTCTA received \$5,000 with another \$4,600 potentially coming.

As of April 7th, we have received \$8,500 in cheques, cash and online donations, which will be used to cover our operational/maintenance costs for the year, which are approximately \$10,000.

I've been a member of this group for three years (since inception). I do not know which member nominated us but we are very thankful for this support!

Signage Volunteer Needed

KTCTA needs a volunteer(s) who can be responsible for the installation and repair of our signs.

Most of the sign work occurs at trail intersections, between the trail and sideroads.

Please email us at info@tctrail.ca if you are interested in this volunteer position.

Student Placement

Courtesy of Fleming College's work placement program, the KTCTA was fortunate to have Tyler Pandur's help during his two-week Outdoor and Adventure Education placement.

During his time, Tyler constructed and installed five bee hotels along the KTCT and installed new and replaced missing signs along the trail.

We appreciate all your assistance, Tyler!

"Forever in Our Hearts"

A special thank you to Cindy and Sherry who have donated a bench to the Kawartha Trans Canada Trail in Omemee in memory of their parents—Sandy and Wally Bell.

In Cindy's words: "What better way to say thank you to neighbours and businesses for helping our dad and to meaningfully recognize our parents, than to dedicate a bench, where people can stop for a rest while enjoying the beautiful trail and our parent's favourite southwest view."

Sandy and Wally Bell

Wildflower Grant

Thanks to funds provided by New Horizon Senior's Grant, 450 native wildflowers were planted along sections of the Kawartha Trans Canada Trail.

Seniors from Adelaide Place Retirement Home, students from Fleming College and volunteers from the village of Reaboro enjoyed digging in and getting their hands dirty!

Trespassers on the Trail

ATV and dirt bike riders are not allowed on the KTCT. The Association has posted signs and placed gates and concrete barriers to stop them, but they still access the trail. If you see them on the trail, please do not approach them. Instead, record the following:

- Time
- Date
- Location
- Plate number if they have one
- Colour of ATV/dirt bike
- Description of rider, e.g. helmet colour

Call or send this information to the OPP at:

Thank you!

FIREWOOD NOTICE:

There are some dead, potentially hazardous trees along the trail that need to be removed.

If you need some firewood, please contact us at
info@ktct.ca
for permission.

Trails & Transportation Plans

The Kawartha Trans Canada Trail Association participated in the development of the City of Kawartha Lakes (CKL) Trails Master Plan.

The KTCTA is also involved in the Active Transportation Plan that is currently being developed by CKL.

Who We Are

The **Kawartha Trans Canada Association (KTCTA)** is a registered not-for-profit organization with charitable status. Our mission includes the following:

1. To improve the urban and rural environment by developing and maintaining a recreational trail or greenway linking communities.
2. To organize and participate in environmental projects designed to preserve and protect flora and fauna.
3. To educate and increase public awareness, appreciation, and understanding of the environment by offering courses, seminars, conferences and meetings, and by collecting and disseminating information.
4. To promote active and healthy lifestyles by offering courses, seminars, conferences and meetings, and by collecting and disseminating information on the trail's five core uses—hiking, walking, cycling, horseback riding and snowmobiling.

Managing Partners

The Kawartha Trans Canada Trail has 12 Managing Partners who volunteer their time and effort to help maintain the trail.

It is this type of community involvement that ensures the trail remains safe.

Our partners from East to West:

- Fowlers Corners & District Lions Club
- Omemee & District Lions Club & Scott Young Public School
- Village of Reaboro
- Kawartha Lakes Green Trails Alliance
- City of Kawartha Lakes Parks and Recreation Department
- Lindsay Lilac Committee

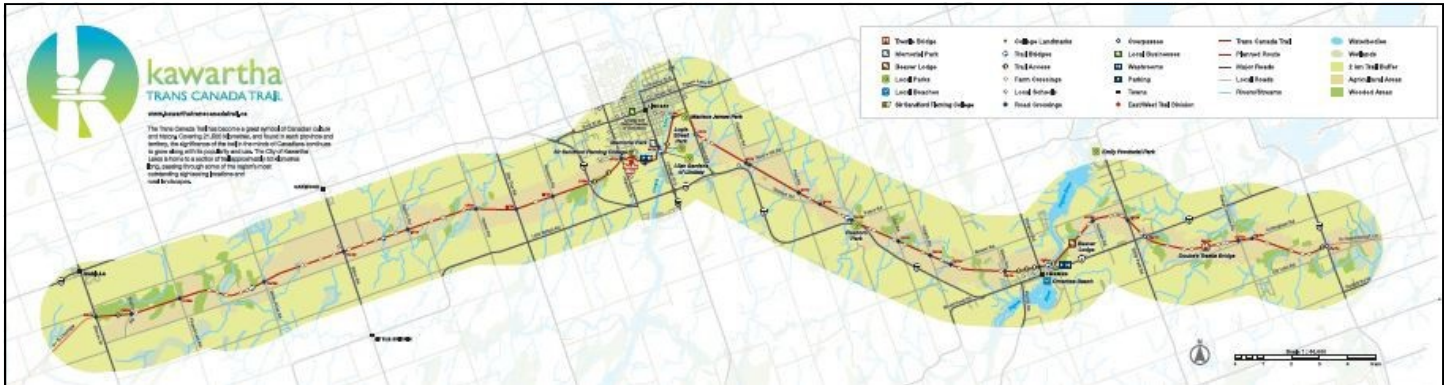

- Sir Sandford Fleming College
- Abercrombie Brothers & Central Senior Public School
- O'Reilly Family
- Spokes for Folks
- Lunney Family
- Heart of Ontario Snowmobile Club

New Volunteers are always welcome!
See website for details or email us at
