

## User Groups

Kawartha Trans Canada Trail attracts people of all ages, abilities and interests. The trail serves both recreational enthusiasts and educational interests. Families, seniors and individuals seeking a healthy lifestyle activity will find it here.

Recreational users frequent the trail during the spring, summer, and fall seasons for cycling, running, and walking. Occasionally it is used by horse-back riders. Winter months attract snowmobilers, and some cross-country skiers. Students use the trail for educational purposes, such as environmental and history studies. Whatever your reason to use the trail, it is a wonderful, natural corridor.

## Your Donation Matters

Your donation, large or small, is essential for ongoing maintenance and enhancement, please contribute. Every donation is used to ensure the trail is maintained to necessary standards. Contributions are gratefully accepted from individuals, user groups, businesses, and organizations. Mail in your donation or make a contribution online at [loveyourtrail.ca](http://loveyourtrail.ca).

## Your Kawartha Trans Canada Trail

During the summer of 2014, the Kawartha Trans Canada Trail was completed. The Trail's Association worked for more than a decade to make this section of the national trail a reality. Efforts of the organizing group, sponsors, partners, and volunteers made it possible.

This trail provides opportunities for year-round enjoyment and fosters active living. It also preserves a vital link to railway heritage and offers everyone an opportunity to experience its natural splendour. It is a Kawartha Lakes landmark worthy of pride and support. Please give generously.

## Need for Funding

While the efforts of many people gave this community trail life, the need for ongoing fundraising is real. The trail is not supported by municipal funding. It is managed by Kawartha Trans Canada Trail Association, a not-for-profit organization.

Every financial contribution is applied to trail operations. Without regular financial support, trail maintenance and enhancements are jeopardized. Make a difference with a financial contribution now.

## Benefits

Benefits of supporting the trail are many and vary greatly. The trail offers educational, recreational, and historical attributes. In turn, those features provide opportunities for learning, enjoyment, and reflection. Its appeal is wide-ranging and far-reaching as a destination attraction for visitors and residents.

The Kawartha Trans Canada Trail is a valuable stretch of the world's longest trail and supports our local economy. The scope of its appeal can be appreciated either on site or online at [ktct.ca](http://ktct.ca).

## Recognition

All financial contributors are acknowledged. Recognition may be through a certificate, online acknowledgement, a plaque, signage, or naming. Contributions over \$100 are recognized on the Fred DeNure Donor Wall at Fleming College, located along the trail. Numerous other forms of recognition are possible as they directly relate to special projects or specific fundraising initiatives.

## Types of Contributions

Contributions are encouraged. General financial contributions are needed to meet ongoing operational costs. However, contributions can be made for specific use, including easy-rest benches, bike parks, and information shelters. In-kind donations of products or services are welcome.

## Memorials

Provide a memorial donation in remembrance of a loved one or as a legacy for yourself. You can contribute as an individual, family, or business.

## Honorariums

User fees are not currently charged for events staged on the trail. We encourage Honorariums in the absence of user fees. Please contact the Kawartha Trans Canada Trail Association if you want to pursue any commercial activity or private fundraising event.
